Re: **Changes to the MLC billing dates, rates and procedures for 2017**

---

From January 1<sup>st</sup> 2017 all swimmers in the National Performance, National, State and Development swim squad programs will be charged squad fees in advance. Coaching fees will continue to be charged every two months.

The December/January invoices will be issued along with the February/March invoices at the end of January 2017 for non-MLC swimmers. MLC families will receive these charges on their mid-February student account. With this advance notice of more than eight weeks I hope this gives families an opportunity to plan ahead and negate some of the initial financial pain.

All other conditions and terms remain unchanged. Absences: Refunds will only be given if requests are sent in writing via email to myself and apply to swimmers who are absent from training for two consecutive weeks or more. If you wish to withdraw from the program four weeks written notification is also required otherwise full fees will apply: (email: [osborncj@mlc.vic.edu.au](mailto:osborncj@mlc.vic.edu.au))

From January 1<sup>st</sup> 2017 swim squad fees will increase by less than 1% for the National Performance and National swim squads. All other fees remain unchanged as per the fee structure listed below.
